## WORK EXPERIENCE:

### Stuff By: Andrew Neyer | Apprentice

November 2025 - Present | Cincinnati, Ohio

Assembling, packing, and shipping up to 15 different SKUs. Experimenting and implementing new manufacturing and assembly processes eliminating waste, time, and defects. Brainstorming new products and their viability. DJ for Staff Radio 98.9 FM.

### Stress Engineering | Industrial Design COOP

August 2024 - December 2024 | Cincinnati, Ohio

Researched and designed solutions for client projects. Generated still and animation renders for client presentations. Participated in cross-disciplinary design sprints. Oversaw and maintained rapid prototyping services.

### Mentor and Muses | Making/Toy Mentor

May 2024 - August 2024 | Cincinnati, Ohio

Conducted individual and group direction and advisement meetings weekly for 5 muses. Showcased the design process with an emphasis on visual communication, hard-skills improvement, and design theory and research methods.

### Bang Zoom Designs | Inventor COOP

January 2024 - April 2024

May 2023 - August 2023 | Cincinnati, Ohio

Invented and ideated game/toy concepts for clients. Fabricated and modeled prototypes for client testing. Illustrated branded graphics and game components to ensure the needs of the client are met. Scripted and filmed concept videos to showcase new and inventive products.
